skillcast

CoreCompliance Course Library

Learn the essentials of compliance with CoreCompliance

CoreCompliance is the perfect solution for small businesses (up to 50 employees) seeking a quick and affordable way to provide compliance training to their staff. It is a ready-to-use e-learning portal with diagnostic assessments and course modules. Our CoreCompliance solution also has a dashboard to manage users and download reports.
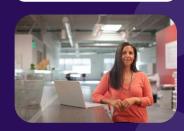

Benefits for your business

- Gain instant access to 150+ e-learning courses on key compliance topics
- Compatible with mobile, IOS, Android, and tablet
- Engage staff with microlearning
- Cost effective: with access to all courses starting from £349

Free trial

"I love the portal, it means our employees are now forced to do training. It's so efficient and makes my life a whole lot easier. I'm extremely happy with CoreCompliance by Skillcast"

- First Enterprise

Courses included in the subscription will be tailored to suit your compliance training needs.
